TAKE THE BOW AND LET'S PLAY

CERE
LUKOSTŘELECKÝ KLUB

- The teams can be mixed by different age categories e.g. Adults + Juniors/Masters
- The teams can be mixed by different divisions (Standart/Traditional)

Category	Length of one round	Number of run round	Number of shootings	Nr. of arrows for one shooting	Shooting distance	Target diameter Stand./Trad.	Penalty round
Adults	400 m	2	1	4 (+1)	20 m	20/40cm	50m
Hobby	400 m	2	1	4 (+1)	10 m	80 cm	50m

E. Equipment:

Standard Bow (S):

- Standard bow – with visier,
- Can have the clicker and button (by the rules of WA),
- can't be used any stabilizers, can be used „Limb savers“ and „Weight“,

Traditional Bow (T):

- Any Bow without Visier, (Barebow, Instinktiv Bow, Horseride Bow, Longbow),
- Arrows (by the rules of WA),

The arrows are placed during the race in the rack. Number of arrows on the shooting line is limited by category, maximum of 3 arrows per shot / 4 arrows per relay. Every competitor runs with his own bow for the whole race, the bows will not be placed in the shooting range. Before the start of each category, the athletes will come to the Judge to the equipment inspection. Then they start a mass start. After the first run come to the shooting range, three arrows will be fired into the target and continue to run. In the case of missing the field in the target by arrows, the athletes must run 1 penalty round as a penalty for every missed 1 arrow.

The start number must be **VISIBLE FIXED** on the front part of body during all the race.
