**DESCRIPTION** Participants start with running, between running laps series of 3 arrows by a target are shot. It is not relevant either the target is hit in the center or at the edge. For each miss athlete has to run a penalty loop directly after shooting. The bow has to be held in hand during running. Arrows can be left at the shooting range. Stabilization systems and compound bows are not allowed. Every athlete must have at least 12 (children 9) arrows. Changing rooms, showers and catering are provided.

**CLASSES** Athletes will be divided with regard to the rules of DBSV by age and gender in:  
under 10 years, 10 to 12 years, 12 to 14 years, 14 to 17 years, 18 to 45 years, 45 to 55 years,  
over 55 years  
Each of these classes will be divided with regard to the rules of DBSV by type of bow in:  
• standard bow (with sight)  
• traditional bow / hunting bow (under 66“, no sight, no button, no clicker, arrow between fingers)  
  
Please note: If there are less than 3 participants in one class, the athletes will be added to the next higher class. The under-10-year youth class is not an official German championship and will be judged separately with a trophy. If more than 10 athletes participating in one class, qualification round plus finals will be held.
